Dear Leanne

Re: Notice of public comment at Lot 101 DP785139 Crest Road, Albion Park (EPBC Ref: 2017/8048)
Project no. 25345

In accordance with Part 8, Division 4 S95 of the *Environment Protection and Biodiversity Conservation Act 1999* for the proposed subdivision at Lot 101 Crest Road, Albion Park, pursuant to s95B (3) of the Act:

95B(3): If no comments are received by the designated proponent within the period for comment, the designated proponent must, as soon as practicable after the end of that period, give the minister a written statement to that effect.

This letter is to notify Department of Environment and Energy (the Department) that no public comments / submissions were received during the exhibition period which began 5 August 2019 and finished 16 August 2019. Accordingly, Biosis Pty Ltd (for the Proponent, Spinitu Pty Ltd) proposes to finalise the Preliminary Documentation report and re-exhibit for assessment by the Department.

Additionally, we have attached the relevant draft public notice for your review and approval prior to advertising.

Yours sincerely

Bianca Klein
